

NDLAMBE MUNICIPALITY

IMPORTANT NOTICE REGARDING PARKING AREAS ADJACENT TO THE SEA BEACHES, THE CURFEW AND FIREWORKS

Members of the public and residents throughout the Ndlambe area are required to take note and respect these requirements forthwith in the interests of a combined commitment against a common enemy.

Ndlambe Municipality has the power to restrict access to certain public areas for reasons of public health and safety.

The Municipality has noted that certain residents within its jurisdiction have already respected the request to **stay away from all parking areas adjacent to any sea beach.**

The Municipality might find it necessary to exercise the power to formally restrict access in the absence of **full and immediate voluntary cooperation** from the entire Ndlambe community.

The Municipality appeal to all community organisations to order all people from all population groups within its jurisdiction to **refrain from driving, walking, running, cycling, parking or being on any public parking area adjacent to the sea beaches whilst the beaches themselves remain closed.**

In respect of fireworks, the Municipality has likewise insisted that **no person shall use or discharge any fireworks** of any nature during this festive season.

Similarly, the Municipality justifiably expects all residents to **respect the national 10pm curfew.**

Ndlambe urge therefore all members of the public to adhere to this notice which is regarded as clearly necessary to limit the spread of Covid-19 and to ensure that all population groups, regardless of race or political affiliation, universally apply the required level of self-discipline against the pandemic which itself knows no boundaries.

NOTICE NUMBER: 250/2020
